Master Plan Update

**CONWAY PLANNING BOARD**

**MINUTES/WORK SESSION**

**FEBRAURY 21, 2002**

A meeting of the Conway Planning Board was held on Thursday, February 21, 2002 beginning at 4:06 p.m. at the Conway Town Office in Center Conway, NH. Those present were: Chair, Sheila Duane; Selectmen's Representative, Dick O'Brien; Vice Chair, Robert Drinkhall; Brian Glynn; Martha Tobin; David Robinson; Town Planner, Thomas Irving; and Recording Secretary, Holly Meserve.

**MASTER PLAN UPDATE**

Jim Hicks and Darren Mochrie of RKG Associates appeared before the Board. Mr. Irving stated that the Board should have received draft copies of Chapters One, Population and Housing; and Chapter Two, Economic Conditions. Mr. Irving stated that we are looking for the Master Plan Consultant to indicate what are issues, but not necessarily suggest a resolution at this time.

Mr. Irving stated that this information is going to change. Mr. Irving stated that this information will be published to the web site and will ask for public input. Mr. Irving asked if the Board would establish a policy that the information will not be released until the Board has had a chance to review it. Mr. Irving stated that this would allow the Board members to read the information and answer questions easier. Mr. Irving stated that the information would be able at the first work session. Robert deFeyter was concerned that that would violate RSA 91:A.

Mr. Drinkhall made a motion, seconded by Mr. Glynn, to make the information available to the public immediately following the meeting in which it is discussed. Motion unanimously carried.

The Board and the Consultants discussed Chapters One and Two. Ms. Duane asked for public comment; there was none. The Environmental Chapter is next.

Meeting adjourned at 5:54 p.m.

Respectfully Submitted,

Holly L. Meserve  
Recording Secretary
