

TOWN OF CONWAY

SOLID WASTE ORDINANCE – PUBLIC HEARING

The Conway Board of Selectmen will hold a second public hearing Tuesday, **July 11, 2017 at 4:05 pm** in the meeting room at Conway Town Hall, 1634 E Main Street, Center Conway, NH to discuss proposed changes to Chapter 115/Solid Waste of the Code of the Town of Conway; Sections 115-9 Mandatory Recycling and Separation, 115-12 Solid Waste Facility System, 115-5 Vehicle Sticker Permits and 115-17 Dump Store as follows:

115-9. Mandatory recycling and separation.

E. ~~Burnable~~ **Material**, such as tree limbs ~~under~~ **less than** five (5) inches in diameter, and brush, shall be separated and deposited in the area designated for **such material controlled burning**. Scrap wood, painted wood, pressure-treated wood, stained wood, etc., shall not be accepted in this area and shall be classified as demolition material.

115-12. Solid waste facility system.

Section 115-12 Tipping fees; monitoring hauler activity shall be amended as follows:

- ~~A. Propane tanks shall be tipped at \$5 each.~~
- ~~B. Mattresses, box springs and upholstered furniture shall be tipped at \$5 each.~~
- ~~C. Tires. The disposal of all tires will be tipped at current market prices.~~

A. Fees

Refrigerators & Air Conditioners	\$15.00
Mattresses & Box Springs	\$20.00
Upholstered Furniture (per piece)	\$20.00
Propane tanks	\$ 5.00

Railroad Ties	\$150/ton

Electronic Waste:

PC Monitors	\$10.00
Televisions	\$15.00
Console Televisions	\$20.00

All the following items: \$ 5.00 per item
VCR/DVD players, audio equipment, laptops, radios, microwaves, printers, photocopiers, scanners, cameras, CPU/hard drives

ITEMS ARE TO BE DECLARED AND FEES PAID AT GATEHOUSE PRIOR TO ENTRY CASH OR CHECKS ONLY. WE DO NOT ACCEPT CREDIT or DEBIT CARDS

~~D.~~ **B.** Solid waste. The disposal of all commercially generated solid waste will be tipped at \$85 per ton of waste or any fraction thereof. Disposal of residentially generated and commercially hauled solid waste shall be tipped at \$42.50 per ton, to go into effect on September 10, 2002.

~~E.~~ **C.** The disposal of construction/demolition debris will be permitted when accompanied by a valid building permit. Recyclable construction/demolition debris will be tipped at \$0.04 per pound (\$80 per ton). The minimum charge shall be \$3. This fee may be adjusted to \$35 per ton over the Town's cost for disposal at a recycling facility. Nonrecyclable construction/demolition debris shall be tipped at \$85/ton. The minimum charge will be \$3.

~~F.~~ **D.** Monitoring hauler activity.

(1) All commercial haulers of solid waste seeking to access the solid waste facility with solid waste must obtain a written permit from the Town, to be issued by the office of the Town Manager.

(2) A commercial hauler of solid waste to the Town's solid waste facility shall present to the solid waste attendant a manifest containing the following information: the name, address and telephone number of the accounts whose waste is being hauled and the driver's signature.

~~G.~~ **E.** Payment of fees. The Town will send monthly statements for the preceding month's disposal. Payment shall be due within 30 days from the date of the statement. This shall not preclude other collection procedures, including prepayment or fines (§ 115-4). Accounts which are more than 30 days' past due will be in violation, resulting in suspension of the solid waste permit. A permit which is revoked or suspended may, on reissue or reinstatement, have special conditions on manner and time of payment.

~~H.~~ Appliances containing refrigerants shall be tipped at \$5 each.

~~I.~~

~~I.~~ Computer monitors shall be tipped at \$10 each; televisions at \$15 each; and television consoles at \$20 each.

F. Monitoring hauler activity.

(1) All commercial haulers of solid waste seeking to access the solid waste facility with solid waste must obtain a written permit from the town to be issued by the office of the **Public Works Director Town Manager**.

~~J.~~ Railroad ties shall be tipped at \$150 per ton.

115-15. Vehicle sticker permits.

~~All user vehicles shall display permits. A valid permit is required for entry to and use of, the Transfer Station. Such permits shall be in the form of a vehicle sticker, permits and shall be issued only to residents and taxpayers of the Town of Conway and those towns that are members of the Lower Mount Washington Valley Solid Waste District contracting with the Town of Conway for the use of Conway's solid waste facility. Vehicles without permits shall not be allowed to enter the facility. Absolutely no vehicle which does not have a permit shall be allowed to enter Conway's solid waste facility.~~

Notwithstanding the above, a temporary permit to dispose of trash at the transfer station shall be available for the price of \$5.00 per 40 gallon (or smaller) household trash bag. Such permits shall be available to any member of the public.

Temporary permits may be obtained through the office of the Public Works Director if shown demonstrated need.

115-17. Re-use Area Dump Store.

The re-use area is a space reserved adjacent to the household trash windows for the deposit of ~~purpose for this facility is to dispose of materials, which~~ **that may still have value** ~~are useable to the general public, thus avoiding landfilling these items. Tipping fees shall not be avoided by placing materials in the re-use area dump store. Attendants shall have the authority to determine if item(s) are unacceptable~~ **for deposit in the re-use area.** ~~to be left at the dump store.~~ **Deposited materials are available to the public** ~~Materials are~~ **may be picked up** on a first come first serve basis. **Town staff shall not store or save materials** ~~No materials shall be saved or stored materials for an individual.~~
